# Inventurizace HW a SW

The screenshot shows the 'Inventory - VISIO' application window. The left pane displays a tree view of system components, with 'Software' expanded to show 'Program'. The right pane displays a list of installed software components in a table format.

Name	Value
Citrix Browser Content Redirection

# Vzdálená správa a pomoc uživatelům

The screenshot displays the Ivanti Remote Control (RCViewer) application window. The window title is "RCViewer" and it has a menu bar with "File", "View", and "Help". The main content area shows a Windows login screen for a user named "Other user". The login screen features a large circular profile picture placeholder, the text "Other user", and input fields for "User name" and "Password". Below the input fields, it says "Sign in to: SOLUTIA" and "How do I sign in to another domain?". In the bottom left corner of the login screen, there are two user icons: "Jan Szala" and "Other user" (which is highlighted in blue). The background of the login screen is a scenic landscape with a lake and mountains. The RCViewer interface includes a sidebar on the left with a "Refresh Scope" button and a list of devices under "Device Name": Win10-PXB, skabaj-virt, NCK10000, NVY10000, DESKTOP, VISIO, WIN-JPBN, Ivanti-DEV, va1x012p1, va2x012p1, and VA2X129P. The top right corner of the RCViewer window shows "Connected to: visio.solutia.cz" and "Current session length: 00:00:14". The bottom of the RCViewer window has a toolbar with various icons for remote control functions.

# SW Distribuční portál

The screenshot shows a web browser window titled "JSk - Pomocny Portal". The page header includes the IAVANTI logo, the text "Pomocny Portal Uzivatele", and a user profile for "josef.skaba". Below the header is a navigation bar with "Launch" and "Search" buttons. The main content area displays a grid of software application tiles. Each tile features an icon, a button to execute or install the software, and the application name. A left sidebar contains a search bar and two sections: "Types" with a list of filters (All, Favorites, Applications, Documents, Links, Featured, Available) and "Categories" with a list (Help, Utilities).

Application Name	Action	Icon Description
Full Repair Scan	Execute	Bandage icon
Full Secu scan	Execute	Bandage icon
Miniscan	Launch	Computer and folder icon
Notepad++ 8	Install	Notepad icon
Scan PILOTNI definice	Execute	Bandage icon
TotalCommander 9.51	Install	Notepad icon
